NARRATIVE:

Escobar, a documented gang member, has an extensive adult criminal history that began at the age of 20. His convictions include battery, multiple felon in possession of a firearm, grand theft of vehicle, carrying a concealed weapon in vehicle w/prior felony, vehicle theft, petty theft w/ prior, theft, possession of controlled substance, vandalism, under the influence of a controlled substance, and violations of supervision. He has served multiple state prison terms, the longest a 4 year term for felon in possession of a firearm. Escobar was released from state prison to the supervision of the Los Angeles County Probation Department on January 13th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2014 after he absconded from post release community supervision (PRCS). Escobar qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
